

Agenda
Research Round Table – FTA 2006

Saturday, September 16th, 1:00 p.m. – 5:00 p.m.

1. Data warehouses and data mining. Michael Lipsman – Iowa
2. Routine collections tracking across the states. Monthly survey and formalization of the comparisons that occur on the listserv. Ron Alt – FTA
3. Sales taxes on gasoline. Natalie Davila - Illinois
4. What's driving recent jumps in personal income tax collections? Capital gains and pass-through income? What information do practitioners have access to? Michael Kennedy - Oregon
5. Joint cost-of-collections study. Elliot Dubin/Lorrie Brown - Washington
6. Fiscal Note best practices/Benchmarking. Lorrie Brown – Washington
7. Other items of interest, time allowing.
8. Begin economic and revenue updates across the states. Each state should take 10 minutes or so (depending on the number of states present) to review fiscal year 2006 outcomes, provide outlook for fiscal year 2007, and perhaps address the impact of energy and housing market trends on the state outlook.

Sunday, September 17th, 9:00 a.m. – 12:00 p.m.

9. Economic and revenue updates across the states, continued.
