2008 TECHNOLOGY CONFERENCE
TOPIC SUGGESTIONS
Your Submissions Are Appreciated!

The 24th Annual FTA Technology Conference and Exhibition will be held August 10-13, 2008, at the Hyatt Regency McCormick Center in Chicago, Illinois. FTA is seeking state agency, federal, general electronic commerce, tax service provider and other private-sector presentations related to the application of technologies that enable improvements in tax administration. **Multiple or alternative submissions are welcomed.**

Positive factors given consideration in our speaker selection process:

- Remarks describing already implemented (not planned) government revenue technologies or improved processes
- State experience(s) using technology featuring before/after comparative information (metrics, ROI, etc. if possible)
- Individual remarks or panels that review multiple-state experiences with a specific technology (including comparatives across states)
- Reviews of applicable broader government or industry technical or regulatory developments or trends (i.e. in payments, telephony, wireless, XML and other standards progress, IT security developments etc.)
- Updates that deliver substantial and significant new information on previously-presented projects
- New technologies, perhaps not yet in use, but that have significant potential to improve tax and revenue processes or operations
- If vendor-suggested, remarks that include a state co-presenter
- Previous compliance with FTA Guidelines on session etiquette and room arrangements/assignments

If you have new developments that you would like considered for presentation, **please return this form by April 11, 2008.** Fax: 202/624-7888. Please include your e-mail address.
